

TAX TIPS FOR TRAVEL AGENCY

Things You Should Know

Definitions, 30 Del. C., Ch 23

A travel agency includes every person operating a business of operating a full service travel bureau or department which assists in the planning and acquisition of tickets for contemplated trips of its customers by land, sea or air and for related accommodations.

Gross Receipts

A travel agent is exempt from the gross receipts tax.

License and Gross Receipts Requirements

A travel agent is required to obtain a business license -- \$225 for the first location and \$25 for each additional location -- which must be renewed annually on or before December 31st of each year. To register with the Division of Revenue, please complete a Combined Registration Application and mail to the Division of Revenue with the appropriate fee.

Regulatory and Local Requirements

The Business License Issued by the Division of Revenue is not a regulatory license and the issuance of such license does not attest to the qualifications of the applicant to perform the activity described on such license. Many local jurisdictions have requirements for a business license and may have restrictions concerning the locations of conducting the referenced business activity. Please check with the local government office in the town, city or county in which you will conduct your business.

The State of Delaware also has a Division of Professional Regulations. Many occupations and some types of equipment have regulatory requirements. Please contact the Division of Professional Regulation for more information.
